## Are you a Fabulous Foster Carer ?

We're a small independent Fostering Service in East Kent **100% committed to staying small.** We're looking for extraordinary individuals or couples who have the skills, attributes, commitment and desire to foster for a company that is dedicated to providing the highest level of support and care, with a personalised and family feel to all our families and staff.

If you are already fostering and are looking to transfer to a local fostering agency with a therapeutic ethos we would love to hear from you. With our experience, transferring is seamless and will not affect any child or young person who is in your care. We guarantee to enhance your current terms and conditions to ensure you have the best support.

Join us with confidence. With credit to our small team of dedicated and highly skilled staff and our existing fabulous fostering families Ofsted rated us **Outstanding in Achievements and Outcomes for Children and Leadership and Management.**
